Live Review Classes

Established in 1962, the **CFA**® Program sets the global standard for investment, knowledge, standards and ethics. Passing the **CFA**® examination can help career advancement and it highlights to clients, employers and colleagues that the Charter holder has mastered a broad range of investment topics and is committed to the highest ethical standards in the profession.

The **CFA**® examinations are administered by the **CFA**® Institute, whose headquarters are in Charlottesville, USA, with offices in London and Hong Kong. The Institute is composed of more than 84,393 individual voting members and 134 non voting member societies who believe in setting a higher standard for the investment profession.
